

**11th International Olympiad on Astronomy and
Astrophysics 2017
12-21 November 2017, Phuket, THAILAND**

First Circular

Dear Colleagues,

The Promotion of Academic Olympiad and Development of Science Education Foundation under the patronage of Her Royal Highness Princess Galyani Vadhana Krom Luang Naradhiwas Rajanagarindra (POSN) is honored to organize the 11th International Olympiad on Astronomy and Astrophysics to be hosted by the Faculty of Science and Technology, Prince of Songkla University, Thailand, from 12-21 November 2017.

Registration

An online registration is now available on website. Participating delegations are requested to confirm their participation and provide other details as asked for in the registration form. The last date of registration is July 31, 2017.

Fee

As an established custom of the IOAA, main team of each participating country does not have to pay any registration fee. Each Scientific Observer is required to pay the registration fee of USD 1,000. Bank transfer should be made payable in full to POAN Foundation

Please remit payment via over-the-counter wire transfer service, instead of ATM or online service.

There might be account name length limitation problem while using online transaction.

Please indicate your team leader's name and your country on the bank slip. After payment is made, please send a copy of the bank slip via email to ioaa2017@posn.or.th. Bank transfer details are as follows:
